**From the Acting Principal**

**Welcome to KPPS**

This term we welcome several new staff to our team at KPPS, including Mr Peter Wright, our new Acting Assistant Principal, Kate Swainston, who will be working 3 days a week as our social worker and Sue McCarthy has started as our Business Manager to replace Andrea Philipsen. We are also adding to our student wellbeing team with 3 Masters of Counselling students from Monash University beginning their placements and a trainee social worker to support our staff and students in making our school a great place for everyone.

**Grade 4 Camp**

I was very lucky to be able to visit our super grade 4 campers last week and they were all having a great time down at Phillip Island. After having perfect weather on the first day, our intrepid campers pushed through the rain and cold on Tuesday before facing a very cold and windy penguin parade.

We are very fortunate to be able to offer these opportunities for our students to participate in our camping program with the support and dedication of our staff. Great job team!

**Sport**

Congratulations to Tahlee Farrell, Thomas Hardman, Kathryn Martin, Bridget Ellinger, Charlie Knight and Lisa Peacock who represented KPPs at the recent Division Athletics Championships. Amongst some top competition, all of our athletes did a great job representing our school. Congratulations also to Josh Allen, Tahlia Bradey and Cooper Renshaw on making it through to this level but unfortunately were unable to attend.

Good luck to all of our teams representing KPPS next week in the next stages of Y3-6 Hoop Time Regional Finals, Knox Division Basketball Finals, Tennis Hot Shots Division Finals and Volleyball Division Finals.

**Kieran Denver**  
Acting Principal

## YEAR 4 CAMP

On Monday the 8<sup>th</sup> of October the year 4's went to Phillip Island to stay 2 nights at Phillip Island Adventure Resort. When we arrived at the resort, we met Taylor and Shahanna, our camp leaders. We excitedly found out our cabin buddies, activity groups and duty groups. The cabins were luxurious inside. On the first afternoon we went beachcombing at Smith's Beach. We met park rangers and they talked to us about the nature at Phillip Island. 2 girls found a baby shark in some dried up seaweed. That was an amazing find!!!! We also found some lava rock, midden shells and the ranger talked about the dangers of plastic with the sea animals.

Every morning we had a delicious breakfast, lunch and dinner. We participated in activities such as low ropes, initiative course, circuitron, giant swing and the single flying fox. (despite some rain)

A highlight of the camp was going to the Penguin Parade. At the penguin parade, it was very windy. Our ponchos were flying wildly in the wind. However, it was worth it to see hundreds of penguins so close. We could also hear the penguins making noises as we walked back from the beach to the souvenir shop. We had to listen to the rangers and wait quietly as the penguins crossed the path right in front of us at the penguin crossing.

Our second highlight of the camp was going to Amaze N' Things. We were fascinated with the floating tap with water flowing from it on the building. Inside we met Kate who showed us around. We saw Andy's gravity room, mirror maze, puzzle island, the big drop, the wooden maze and magic room.

We enjoyed walking along the boardwalk at Seal Rock and looking at the penguins nesting boxes. After that we stopped at San Remo to watch the ranger feed salmon to the pelicans. She told us details about their appearance, their diet, how they grow and change over time. We know now not to litter with plastic bags because the ranger told us the impact to the pelicans.

We would like to thank Mrs Coulston, Ms Scobell, Mrs Bennett, Mr Keleher and Miss Furno for helping us during camp. A special thanks to Mr Denver for coming on day 2 and helping us in the rain with the flying fox. He enjoyed watching our games afternoon, especially the pencil drop game. Mr Denver also came with us to the Penguin Parade to help out.

The Year 4 students. (4C and 4S)
