Grade 3 Camp

I was lucky enough yesterday to get some time to pop into our Grade 3 camp at Mt Evelyn and everyone was having a great time! Our campers have gone from very warm weather yesterday to the rain and cooler weather today but they haven't let that stop them from the doing all of the fun activities.

Landscaping Project

For those families that haven't been able to pop in to the school recently, work is well underway on our landscaping project between the grade 5 and 6 classrooms. The team working on the project have been fantastic in trying to minimise the impact on our daily routine but unfortunately we have had a couple of setbacks in getting the paths completed in order to get our senior classes back in their rooms.

You may also notice that the stains on the brickwork around the school were cleaned off over the weekend. Add all of this to our amazing new oval and the great work that has been done in our veggie patch and the gardens... our school is really looking good at the moment.

Colour Run

Try your best to make it up to the school this Friday afternoon to see all of the fun and 'colour' of the big Colour Run! Our Colour Run will slot into term 4 this year to replace the Athletics carnival which has been pushed back into term 1 next year. We are scheduled to start at about 2pm this Friday. Hopefully we will see you there.

Election Day BBQ

With KPPS being a voting centre for the upcoming election on Saturday November 24th, we aim to run a BBQ throughout the day to help us raise some more money for our school projects and to also show our community spirit and pride in our school. More details will be sent out soon if you would like to come along and help us on the day or catch up with one of our super-PA team members.

Library Books

We are very lucky to have fantastic volunteers from our parent community helping every week in our library to make sure this vital resource is running efficiently and is well-maintained. At the moment we are in the process of trying to get everyone to return their borrowed books so we can complete our stocktake. Please check at home to see if you have any books that need to be returned and help us keep our library looking great.

Colour Run Event Update - 2.00pm Start

ONLY 1 MORE SLEEP!

Weather is looking good so far!

It has been confirmed that it is Free Dress Day tomorrow. Please make sure whatever the kids are wearing you are happy for it to have colour thrown on it!

The event will start at 2pm.

Don't forget to keep going with the fundraising! Set up those online pages and/or collect the cash and drop it into the office. FUNDRAISING closes **NO Later than the 24th November** but the quicker we get it all in, the quicker we get the prizes.

There will also be an extra prize for the top 3 fundraisers! So far our top fundraiser online is sitting at \$220.00.

*** If you **DO NOT** want your child to participate in the colour event at all, please advise the office and your child's teacher (we had students change their mind at the last minute last year even if they were not wearing a white shirt so we want to have all bases covered!).

SPORTS REPORTS

3/4 Regional Hooptime

On the 23rd of October the All-Star boys' and girls' teams went to the State Basketball Centre to play in the Regional Hooptime event.

Boy's results: The first game we drew against Heathmont PS, the scores were 10 all. Our second game was against Morando PS which we won 15 to 11. Our third game was against Pink Ladies which we lost 13 to 16. Our fourth game was a fun game against Heathmont PS and we won 13 to 11. Our last game was to make the finals but we lost 9 to 15 against Morando PS.

Girl's results: We lost our first game against Yarra Road PS 4-12 but won our next game against Mountain Gate PS 14-10. The third game was a close one against Caulfield Grammar but unfortunately we lost by one point, 12-13. Our last game was against Yarra Road again and we lost 5-14.

Thank you to Mr K for organising the day, Tim's dad for coaching the boys' team and Jack R for coaching the girl's team. Also thanks to Miss B and all the parents for coming and supporting on the day.

5/6 Regional Hooptime

On 22nd October our 5/6 All-Star Boys and Girls teams had Regional finals at Dandenong.

Boy's results: Our first game was a tight game all the way but we ended up winning by 11. Our second game was against St Kathryn. They were a great challenge and were VERY fast. We ended up losing by 13 but we still played a great team game. The next team we played had 2 giant players, taller than our players. We were up by 2 in the first half then they hit a great few shots. We probably had our best team game but still lost by 3. Our last game was a great game. Jackson hit a great 3 to put us up by 1 in the first half but sadly we lost by 4.

Girl's results: The girls' All-Star team played three games against three difficult opponents. We won two games and lost one, which meant it came down to percentage to see if we made it to the semi-finals. Unfortunately we just missed out on the semi-finals by one place and finished ninth for the day.

Thank you to Mr Keleher for organising the day and to the parents for coming and supporting us.

Summer Sport Division & Regional Basketball

On the 24th October, the All-Star girls' team had Division Basketball. Our first game was against Holy Trinity. It was a really tough game but we ended up winning 18-16. Our next two games were cancelled as the schools didn't show up so we went straight through to the Grand Final. In the Grand Final we were up against Boronia Heights Primary. They were a hard team but we all played well and won. The scores were 31-20 so we made it through to the Eastern Metropolitan Regional Finals.

On the 30th October, the All-Star girls' team played in the Eastern Metropolitan Regional Basketball. It was a tough day. Our first game was against Donburn. They were really tough and unfortunately we lost 15-20. Our second game was against Mont Albert but we unfortunately lost 16-22. Third game was against Belgrave South. We played really well and drew 28-28. We would like to thank Mr. Keleher for coaching us and for also scoring and Jayne B for helping out during the day.

SPORTS REPORTS Cont'd

Summer Sport Division Tennis

On the 23rd October, the Boys and Girls A Team went to Knox Division Finals to compete against other schools in tennis. Everyone had a great day and played their best. Over all the girls came 3rd out of 7 other schools and the boys finished 5th. Unfortunately we didn't make the next round but everyone enjoyed their day. We would like to thank Mr Keleher for organising the day, Mrs Cross for coaching and all the parents for driving and supporting on the day.

Summer Sport Division Volleyball

On Thursday 25th October the girls' and boys' volleyball teams went to Rowville Secondary College Sports stadium to compete in the Division Finals. We each had three round matches.

The boys played really well against Our Lady of Lourdes, Karoo and Knox Gardens Primary Schools taking the matches to three sets but unfortunately, we lost all our matches. We then played a placing match which was also a close match but unfortunately, we lost this as well, we finished in 8th place. Throughout our matches we had many great serves and showed great teamwork and sportsmanship. Mitchell was fantastic in encouraging everyone and being a great leader.

The girls lost their first match against Our Lady of Lourdes in three sets, then for our second match we had a very convincing 2 sets to 0 win over Scoresby but then we lost our third match against Park Ridge. For our placing match we played Heany Park and again had a really good 2 sets to 0 win. We finished the day in 5th place.

Overall, we had a great day and were very proud of ourselves for making it to the Division finals. We have learnt a lot of new skills in serving and hitting in Volleyball. We would like to thank Mrs Hemley for teaching us how to play volleyball and all the coaching and support on the day. We would also like to thank our parents for their support and cheering us on throughout the day.
