8th November, 2023

Dear Parents/Guardians of **Prep to Year 2** students,

Kent Park Primary School is looking forward to another great year of teaching and learning and would like to advise you of *Kent Park Primary School's* voluntary financial contributions for 2024. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs. The Curriculum Contributions and Other Contributions (including Tax Deductible Contributions) listed overleaf will assist us with the purchasing of Art, Physical Education, S.T.E.A.M., Environmental and Sustainability equipment and resources as well as supporting the upgrades and maintenance of the school infrastructure. All these programs running alongside the traditional classroom teaching and learning programs are imperative to provide an effectively balanced and rigorous overall education for your children.

Please note: Kent Park PS will not be purchasing individual Student Backpacks for 2024 (see options overleaf).

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

KIERAN DENVER
Principal

BRETT SYDNEY-SMITH
School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
